*Professional development for young leaders -
meet top logistics and transportation experts, get
to know technology and service providers to the
industry and gain exclusive access to world-class
logistics and transportation facilities in Germany,
the world's leading logistics hub*

PROGRAM

TAP-YTL 2011 Logistics and Transportation offers 12
selected individuals the opportunity to participate in an
intensive 8-day delegation trip to Germany. The program will
include the following modules and visits to cutting-edge
logistics and transportation hotspots:

- Frankfurt Airport: intermodal hub models, sustainable
airport expansion and freight and logistics centers
- Hamburg: diverse port operations
- Berlin: passenger rail transport and logistics concepts
- Innovative supply chain solutions and state-of-the art,
multipurpose logistics facilities
- Transportation politics and policies
- Exclusive access to top industry experts and operation
sites

PROGRAM BENEFITS

- Knowledge transfer across markets
- Cross-Cultural professional
development in a targeted sector
- Establishing transatlantic networks
- Participants will become part of
TAP-YTL's Alumni Network with its
exclusive networking benefits
